AUTHORIZATION LETTER & DECLARATION OF AGENCY FOR ONLINE INTELLECTUAL PROPERTY ENFORCEMENT

This document constitutes written authorization and supporting evidence of agency for enforcement actions submitted to YouTube, Meta (Facebook and Instagram), X (Twitter), Reddit, and other online content-hosting, websites and social media platforms.

Date: 01/07/2026

I, **SONIYAMOL SEBASTAIN, CHAIRMAN**, representing **KUN NAVBHARAT COOPERATIVE AGRO PROCESSING SOCIETY LIMITED (NBCS SOCIETY)**, and myself **in my individual capacity** (hereinafter referred to as the "Rights Holder"), do hereby make the following declarations and grant of authority:

1. Ownership Declaration

I declare that I am the rightful owner of the copyright, trademark, and/or personality and image rights (as applicable) in and to **NBCS SOCIETY, and my name, image, likeness, and personal content** (hereinafter referred to as "the Protected Content"). I further declare that, to the best of my knowledge, the information provided in support of this authorization, and in any notice filed under it, is true and accurate.

2. Grant of Authority

I hereby appoint and authorize **Obscura Entertainments**, an anti-piracy and intellectual property enforcement agency located at Fine Tower, Second Floor, Room No. 42/679-B, 33/365-B, Thalipparambu, Vennala P.O., Kochi – 682028, India, represented by its Managing Partner and Authorized Signatory, **Shri. Subin Sebastian**, reachable at dmca@obscuraentertainmentsantipiracy.com, to act as my authorized agent for the identification, reporting, and removal of unauthorized use of the Protected Content across all online platforms, including but not limited to YouTube, Facebook, Instagram, X (Twitter), Reddit, and any other content-hosting, Websites, hosting providers, social media, or streaming platform, worldwide.

3. Scope of Authorized Actions

In this capacity, Obscura Entertainments and its representative are authorized to:

- Submit copyright, trademark, and intellectual property infringement reports and takedown notices on my behalf, through platform webforms, designated agent email addresses, or any other reporting channel made available by a platform.
- Sign, certify, and submit, on my behalf, the declarations typically required by such platforms in connection with a report, including a statement of good-faith belief that the reported use is not authorized by me, my agent, or the law, and a statement that they are authorized to act on my behalf with respect to the rights described herein.
- Communicate directly with platform copyright, trust & safety, and support teams regarding submitted reports, including providing additional evidence, responding to requests for clarification, and appealing adverse decisions where appropriate.
- Pursue counter-notification review, escalation, and follow-up correspondence connected to any report filed under this authorization.
- Identify, investigate, and report impersonation, unauthorized brand or identity use, and other violations connected to the Protected Content.

- Take any further lawful action, including coordination with law enforcement agencies, reasonably necessary to enforce the rights described in this letter.

4. Defamatory, Harassing & Misleading Use

Authorization under this letter extends to any use of the Protected Content that defames, harasses, threatens, or creates a false or misleading impression about the Rights Holder — including content that repurposes, recaptions, or recontextualizes material the Rights Holder has themselves publicly posted. Such use is independent of, and not excused by, any claim of fair use, fair dealing, or commentary, as those defenses apply solely to claims of copyright infringement and have no bearing on defamation, harassment, or impersonation. Obscura Entertainments is authorized to report and pursue removal of such content under the harassment, bullying, impersonation, and misleading-content policies of the relevant platform, in addition to, and independently of, any copyright or trademark-based claim available.

5. Declaration in Support of Platform Submissions

I understand that platforms including YouTube, Meta, and X require, as part of their reporting process, a statement that the reporting party is authorized to act on behalf of the rights owner, made under penalty of perjury. By signing below, I confirm that this authorization is knowingly and voluntarily granted, that I am the Rights Holder (or am duly authorized to grant this authorization on the Rights Holder's behalf), and that Obscura Entertainments and Shri. Subin Sebastian are authorized to make such representations on my behalf in connection with any report filed under this letter during its period of validity.

6. Validity & Verification

This authorization is effective from the date of signature below and shall remain valid until revoked in writing. Platform reviewers may verify this authorization by contacting the Rights Holder directly using the information provided below, or by contacting Obscura Entertainments at the address and email provided above.

Note: This authorization does not extend to any claim that would misrepresent fair use, fair dealing, or other legally protected uses of the Protected Content. For the avoidance of doubt, this exclusion does not limit Section 4 above, as defamatory, harassing, or misleading use is not a legally protected activity. Any fair use or fair dealing claim raised in response to a report filed under this letter will be evaluated on a case-by-case basis in accordance with applicable law.
